## FACILITY SUMMARY

Site Name	Address	Pop.	Summary
<b>Benton Unit (ADC)</b>	6701 Hwy 67 Bento, AR 72015	325	Benton Unit is an ADC work release center. All services including pill call, nurse/provider sick call, and lab are completed in the medical area at the unit. There are four holding cells that are used sporadically for less than 24 hours awaiting an inmate's transfer to another unit, but they could result in a need for medication to be delivered to that area.
<b>Central Arkansas CCC (DCC)</b>	4823 West 7th St. Little Rock, AR 72205	150	CCC is a DCC center with a male population of 147. Services include pill call, nurse/provider sick call, intake, and lab which all take place in the medical unit. Telehealth is used for mental health in the medical unit. There are 8 segregation beds that require rounds and medication passes when occupied.
<b>Cummins Unit (ADC)</b>	2450 Hwy 388 Grady AR 71644	1876	Cummins Unit is an ADC working farm with agriculture and livestock for a male population of 1,876. The segregation unit has 285 beds and medication passes along with the nurse/provider sick call are completed in the segregation. The general population report for services to one central medical area where nurse/provider sick call, pill pass, chronic care, infection control, and lab services are addressed. The medical department maintains a six bed licensed infirmary.
<b>Delta Regional Unit (ADC)</b>	880 E. Gaines Dermott, AR 71638	560/ 20 jail beds	Delta Regional is an ADC unit with an all-male population of 560. Sick call, pill pass, and dental are provided in the medical department. Delta does not have an infirmary, but does have 10 segregation beds and all pill passes and sick call are completed in the segregation area. The facility contains a 20 bed regional jail with a satellite medical department for pill call and nurse sick call.
<b>East Arkansas Regional Unit (ADC)</b>	HWY 79 & County Road 131 Brickeys, AR 72320	1624 /35 jail beds	East Arkansas Regional Unit houses 1,624 male inmates. There are approximately 600 Maximum security beds and 1,024 general population beds. There is also a 35 bed jail located outside the fence with a satellite medical department for pill call, provider call, and nurse sick call. The main medical department contains a 10 bed infirmary. There are pill windows located on the North and South halls. The Maximum Security wing has a satellite dental area and medical room for provider and nurse sick call as well as treatment call. Medications are delivered in the max area and daily segregation rounds are required.
<b>Grimes Unit (ADC)</b>	300 Corrections Dr Newport AR 72112	1000	Grimes is a medium security unit with 1,000 beds including 89 segregation beds. Pill passes and nurse sick call are provided in the segregation area. The Medical Department is setup for nurse/provider sick call, pill pass, dental, lab, chronic care and infection control, and contains a six bed infirmary.
<b>Maximum Security Unit (ADC)</b>	2501 State Farm Rd Tucker AR 72168	532	MSU has a population of 256 medium security and 276 maximum security inmates. Pill pass and nurse sick calls are provided in segregation. The Medical Department has a three bed infirmary and space for nurse/provider sick call, dental, medication window, chronic care and infection control.
<b>McPherson Unit (ADC) ♀</b>	302 Corrections Dr Newport AR 72112	800	McPherson is the female intake site with a population of 800 that includes all security levels and death row. There are 54 segregation beds and 10 special program beds where pill passes occurs. In addition, nurse sick call is conducted in the segregation area. All remaining services are provided in the medical area including nurse/provider sick call, dental, lab pill pass, chronic care, infection control, and there are eight infirmary beds.
